

A vibrant outdoor courtyard scene featuring a swimming pool in the foreground. The pool water is clear and blue, with two large, colorful mosaic tiles of sea turtles swimming in it. The tiles are highly detailed, showing the texture of the turtles' shells and fins. In the background, a white building with green shutters and a minaret is visible under a clear blue sky. A green pergola structure is on the left, and several lounge chairs with red cushions are arranged near the pool. The overall atmosphere is bright and sunny.
